This time of year can be especially difficult for the women and children who come to WINGS for help. They desperately want to make life better for their families but they don't have the resources to do it.

In fiscal year 2017 we served 1,139 individuals with 74,781 nights of shelter, counseling and supportive services, and 92,154 meals were served in the Safe Houses. Because of you, 239 victims sleep in safety tonight, thousands and thousands are leading lives free of abuse, fear and control. Your donation and your commitment to the families we serve will have an everlasting impact both now and on generations to come.

WINGS has been providing support and safe shelter for over 30 years to homeless and abused women and children. Our individually designed programs and one-on-one assistance help women with the emotional and financial resources they need. These women go on to achieve independence and provide a better quality of life for their children.

Thank you for coming forward to help the vulnerable in our community by investing in WINGS mission. Our Board appreciates it. Our staff appreciates it. More importantly the families we help are forever grateful that you saw it in your heart to help a stranger.

With sincere gratitude,

Rebecca Darr
Chief Executive Officer
